

# Your contribution to sustainability

In four steps to your  
Compensation Certificate

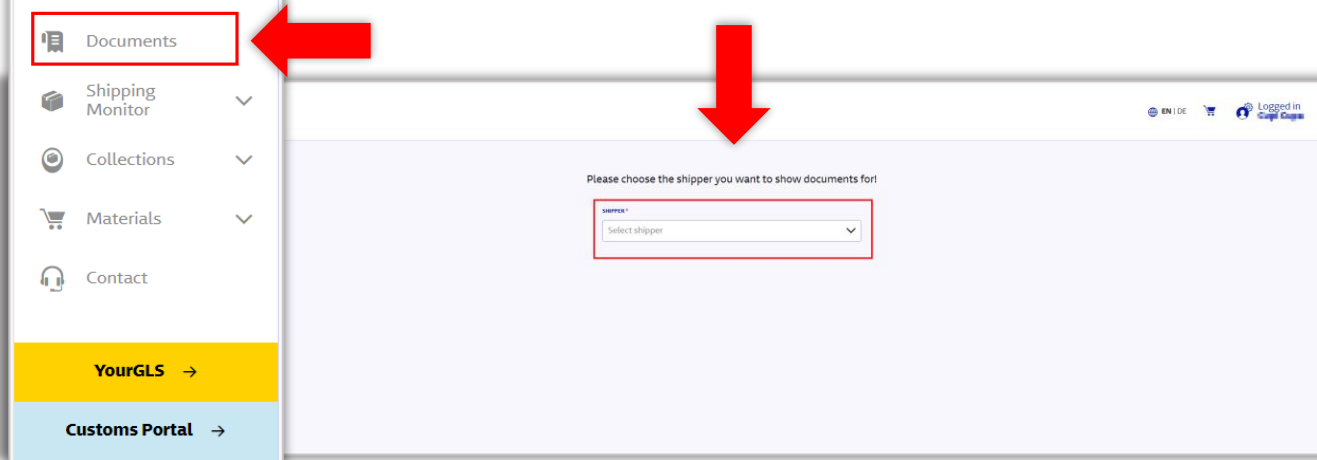

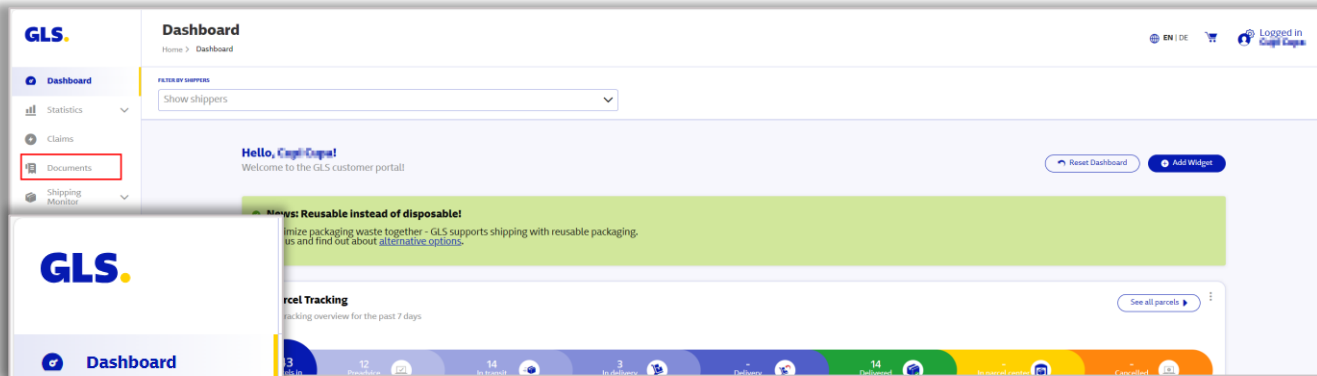

## Step 1:

# Login to the GLS Customer Portal

Log in to our **GLS Customer Portal** with your **customer data**

The screenshot displays the GLS website interface. At the top right, a red arrow points to a 'Login' button. A modal window titled 'Login for business customers (YourGLS)' is centered on the screen, featuring a yellow 'Login' button. Below this, another modal window titled 'YourGLS Sign in to your account' is shown, containing a language dropdown set to 'English (International)', a 'Username' input field, a 'Remember me' checkbox, and a yellow 'Log In' button. A red arrow points to the 'Log In' button in this second modal. The GLS logo is visible in the bottom right corner of the page.

## Step 2: Selection of documents

Within your dashboard you will find the **tab "documents"**  
Click on it and then select a shipper

## Step 3:

# Climate Protect Documents

On the right side of the dashboard, you will find the **section Climate Protect documents**

Click on the **"Retrieve certificate"** field in the window that opens

You will then be redirected to your individual customer page

In cooperation with **ClimatePartner**, we additionally and voluntarily compensate the amount of greenhouse gas emissions caused by parcel transportation, business travel and the use of buildings

The screenshot shows the GLS Documents interface. On the right side, there is a link labeled "Climate Protect Documents" which is highlighted with a red box and a red arrow. A modal window titled "Clima Protect Documents" is open, displaying the text: "You can demonstrate your commitment to sustainability with the GLS Climate Protect emblem and your compensation certificate." Below this text, there are two buttons: "Download badge" and "Retrieve certificate". The "Retrieve certificate" button is highlighted with a red box and a red arrow.
